Dedication

The yearbook staff of Joseph City Jr./Sr. High School is honored to dedicate the 2012-2013 yearbook to Mrs. Trista Therman. Throughout her seven years of dedication to our school she has been one of the most remarkable teachers we have ever had. She teaches Resource, she taught each and every student, not just a class. She cared about their learning experience and helped them in their time of need. Her service to this school has changed the lives of every student who has stepped through her doors. Principal, Mr. Fields, had this to say about her "Mrs. Thermen is a dedicated and caring teacher who puts her heart into helping students. She has had a great impact on Joseph City Schools over the past seven years. Although it saddens us to say goodbye to such a wonderful teacher and person, we wish her nothing but further success and fulfillment in her future pursuits. Mrs. Thermen will always be remembered as a teacher who made a difference". We have you, Mrs. Therman, to thank for a great experience at Joseph City High School!
